What & Who are Masons

Freemasons are a unique institution that has been a major part of community life in America for over two hundred and fifty (250) years. It is America's largest and oldest fraternity, and one that continues to be an important part of many men's personal lives and growth. We are a society of friends who seek to become better men, husbands, fathers through our association with one another and our families.

The fraternity of masons are an organization of men bound together with a philosophy of moral standards, mutual understanding and brotherhood in which all men are on a level and equal.

Masons are men who have decided they like to feel good about themselves and others. They care about the future as well as the past, and do what they can, both alone and with others, to make the future good for everyone.

The Masonic Fraternity is the most charitable fraternal organization in the world. Masons donate over 1.5 million dollars a day to charity. The Shriners, who are Masons are responsible for 22 Hospitals, 3 Burn Centers & 19 Crippled Children's Hospitals. There is never a charge for treatment nor is any money accepted from insurance company's and the government.

At the state level, New York State Freemasons support the Masonic Medical Research Laboratory which does research for heart disease & aging in Utica, NY which also houses the Masonic retirement home. New York State Freemasonry has an active Veterans Hospitals visitation program, Drug & Alcohol Prevention Program which includes Drug Free School Zones & Child Identification Programs.

In the Adirondack Mountains the Masons own 1600 acres known as Camp Turk which is open for 2 three week sessions for boys & girls that are children, grandchildren, and friends of Masons.

The person who wants to join Freemasonry must be a man, sound in body and mind, who believes in God, is at least 21, and has a good reputation. He should believe in helping others. He should believe there is more to life than pleasure and money. He should be willing to respect the opinions of others. And he should want to grow and develop as a human being.

Mazzara Defense

My name is Steve Mazzara, I am the chief instructor of Mazzara Defense. I have over 23 years of experience in American boxing/kickboxing, earning my black belt in 1998 and my instructor belt in 2002. The sport of boxing has always been my life's passion, and it has translated into a love of helping others learn the art of self-defense.

Nobody should ever be an easy victim. I take great pride in helping individuals achieve a high level of confidence in themselves, so that, should they ever need to defend themselves, they will have a fighting chance.

At Mazzara Defense I will equip you with the tools that will ensure that you have supreme confidence to reach limits that you didn't realize you were capable of reaching.

Steve Mazzara

In Good Company Productions

Who We Are

Our goal is to provide fun filled activities for children through participation in theatre and entertainment and to help them gain self-confidence in the process.

We are parents, grandparents, friends and neighbors of the community of Western New York, anyone who wants to participate will be welcome. All ages from babies to adults can participate at some level. The key is to simply be involved.

We have some people who act, some who dance or sing, others who only work on sets or costumes. There is a place for everyone so don't be shy about your abilities

What Else Should I Know?

Because we are a non-profit organization we rely on fundraising, donations and the goodwill of others to accomplish our goals.

Anyone interested in volunteering their time; expertise or resources should contact Melissa Durfey at 716-408-7678 or email: ingoodcompanyproductions@yahoo.com

ASSEMBLYMAN

ANGELO ★ J. MORINELLO

Retired Judge Angelo J. Morinello, a life long resident of Western New York, is currently running for the privilege to represent the 145th District of the New York State Assembly.

Judge Morinello recognizes the importance of qualifications, experience and life lessons as necessary requisites to represent the residents of the 145th district in Albany. Through his education, work experience as a lawyer and judge, and as a community resident, he understands what it takes to be a representative in Albany.

One of the greatest life lessons he experienced was during his tour of duty as a combat soldier in Vietnam. Facing the horrors of war first hand prepared him to face the challenges of life. This experience made him a stronger person.

Prior to becoming an attorney, he worked at various jobs affording him the ability to personally experience the daily challenges faced by working families.

As a judge, he witnessed the terrible impact of drugs and family violence, especially on our youth, which must be brought to Albany to be dealt with.

Judge Morinello believes in the need for jobs, but feels that we need to be focused on implementing workforce development programs to prepare our youth for those head-of-household positions currently available.

His diverse background in law, the judiciary and every day life experiences will afford the citizens of the 145th District with a strong and skilled representative in Albany who can address the important issues.

Judge Morinello is ready to address the culture of corruption that is Albany and understands the need for change. Throughout his legal and judicial career, he has been guided by the strictest ethical standards and is ready to question the lack of structured standards in the legislature.

LASERTRON[®]

Where Adults Go To Play with Friends and FamilySM

5105 N Bailey Ave
Amherst NY

716-833-8766

LASERTRON features a giant 9200 square foot LASERTRON arena. The arena is divided into two team zones: the green team and the red team. The LASERTRON arena features four large ramp structures to get to the second level, a massive upstairs level, and eight bases. With hundreds of obstacles, there are plenty of places to hide. The LASERTRON game options are endless. You'll have a blast!

Players are equipped with LASERTRON's state of the art LT-12 Pro Game System. A session of LASERTRON is made up of (4) 6-minute games played back to back. Players can burn up to 1,000 calories when playing two sessions of LASERTRON.
